Audition Information

Audition information for City of Angels

Auditions will begin promptly at 1pm on Sunday February 5th and 6pm on Monday February 6th. All auditioners should be prepared to read a short excerpt from the show. You may choose to prepare one of the four monologues linked below. Additional cold readings and scenes may be requested of you at the time of auditions. If auditioning for speaking-only or dance-only roles, no vocal audition is required.

For those auditioning for singing parts, please prepare 16-32 bars in the style of the show. An accompanist is provided, or you may use a track (Bluetooth, audio jack, and speakers are available at the audition space). Additional musical excerpts from the show may be requested of you to sight-sing at the time of auditions. If auditioning for one of the jazz quartet singers, please prepare the excerpts linked below IN ADDITION to your 16-32 bars.

There will be no group dance call at these auditions, but if you are auditioning for a dance-only role, come prepared to move and show us some of your ability.

If you are unable to make it to the auditions on February 5th or 6th, please email info@themasquers.org for instructions on submitting a video audition.
